## **PART-TIME POSITION AVAILABLE**

### **Planetarium Coordinator**

**Catawba Science Center, Hickory, NC.**

The Planetarium Coordinator is responsible for coordination of all aspects of CSC's 65-seat Millholland Planetarium, working closely with Education and Visitor Services staff members.

Responsibilities include:

- Maintaining equipment
- Serving as lead resource in astronomy
- Preparing, presenting, and producing planetarium shows
- Training staff members and volunteers to present astronomy shows and use planetarium equipment
- Serving as liaison with Catawba Valley Astronomy Club and volunteers
- Developing new ways of increasing participation in planetarium events

Part-time exempt position, Tuesday - Saturday schedule, some evenings. Astronomy background and undergraduate science degree required. Experience with MediaGlobe digital technology a plus. Pay rate: \$11.00 per hour

**How to apply:** Send resume with cover letter to Human Resources, via e-mail: [jobs@catawbasience.org](mailto:jobs@catawbasience.org), or mail: P.O. Box 2431, Hickory, NC 28603. EOE. [www.catawbasience.org](http://www.catawbasience.org).
